

CHÂTEAU LAVERDINES

STAY

*A true haven of peace
nestled in a lush green setting*

THE SOUL OF THE ESTATE

A home you truly inhabit

More than just a venue, Château Laverdines is a home you truly inhabit.

Its interconnecting reception rooms, sweeping views over the park, and serene atmosphere invite you to slow down, connect, and experience something truly different.

Here, every stay feels like a genuine escape from the everyday — warm, elegant, and deeply authentic.

LIVING & ENTERTAINING AT THE CHÂTEAU

The exclusivity of a fully privatized château

The château is entirely privatized for your stay.

You have complete, unrestricted access to all indoor and outdoor spaces — with no shared use or interruptions.

- 6 elegant reception rooms with intimate atmospheres
- Up to 80 guests indoors
- Up to 250 guests outdoors with a reception marquee
- Professional kitchen available to your caterer

Every space can be arranged to suit your vision, always in keeping with the spirit of the estate.

STAYING & SHARING

23 bedrooms and suites to experience the château fully

Château Laverdines offers 23 beautifully decorated bedrooms and suites, accommodating up to 42 guests on-site.

Each room combines elegance and comfort to ensure restful nights in a sumptuous setting. Two spacious suites of over 40 m² are perfect for welcoming your most honoured guests.

Staying at the château means offering your loved ones far more than a reception: shared preparations, evenings that stretch into the night, and leisurely breakfasts together.

THE GROUNDS & THE ART OF ENTERTAINING

An exceptional natural setting

The 12-hectare landscaped park, dotted with century-old trees, ponds, and terraces, provides an elegant, natural backdrop throughout your stay.

During your stay, we can arrange a range of activities at the château or in the surrounding area:

- Paintball in the park
- Escape room
- Wine tastings (Sancerre, Pouilly-Fumé...)
- Hiking or cycling
- Guided off-road scooter rides
