

CHÂTEAU LAVERDINES

WEDDINGS

*A true haven of peace set
within a lush green setting*

THE ESSENCE OF THE PLACE

The elegance of a truly French wedding

More than just a reception venue, Château Laverdines is a home to be lived in.

Its interconnected salons, open views over the park, and peaceful atmosphere invite you to slow down, share meaningful moments, and celebrate differently.

Here, each wedding unfolds like a stay, in a warm, elegant, and deeply authentic setting.

LIVE & HOST AT THE CHÂTEAU

The exclusivity of a fully private château

The château is entirely privatized for your event.

You enjoy full access to both indoor and outdoor spaces, with no constraints or shared use.

- 6 reception rooms, each with its own refined atmosphere
- Up to 80 guests indoors
- Up to 250 guests outdoors with a reception tent
- Professional kitchen available for your caterers

Each space can be arranged to suit your vision, while preserving the spirit of the château.

STAY & SHARE

A wedding experience unfolding over several days

Château Laverdines offers 23 rooms and suites, accommodating up to 42 guests on site.

Staying at the château means offering your loved ones far more than a reception: shared preparations, extended evenings, leisurely breakfasts, and a true escape from time.

Two spacious suites are reserved for the couple, to enhance these special and intimate moments.

THE PARK & THE ART OF ENTERTAINING

An exceptional natural setting

The 12-hectare landscaped park, dotted with century-old trees, ponds, and terraces, provides an elegant and natural backdrop for every moment of your wedding.

Outdoor cocktail receptions, marquee dinners, photo sessions at sunset...Each moment naturally finds its place within this preserved setting.

The Laverdines chapel, located just opposite the château, also allows for religious ceremonies to be held nearby.
